Docket no 1912 dated 23rd June 1898 from the Dy: Commr. Kadur District submitting for orders the Dt. Muzrai Assistant-Commissioners Rubkari on the question of paying from the funds of the temple at Kalasa the cost of certain repairs executed to the Musafir-khana at Balehonnur.

no 794 D/22nd Dec 1898 Order thereon-No

From the Rubkari submitted with the above and other enclosures it is observed that in January 1897, an estimate amounting to Rs 100 for the repairs of the Musafir-khana was sanctioned by

the Dy: Commr who also
observed that the
cost should be met from
the District funds. ——
Accordingly the repairs
were executed at a cost
of Rs 104-0-4 but when
the question of payment
came before the meeting
of the District fund Board
held on 28th July 1897, it
was resolved that the
Musafirkhana being
maintained from the funds
of the kalasa temple, no
provision for the repairs
could be made in the
District Fund Budget.

2. In his Rubkari
the District Murrai Asstt
Commr reports that a sum
of Rs 6 a month is being
paid out of the kalasa temple
funds.

towards the pay of the Jadmali employed at the Musafirkhana and that besides this single payment, nothing else is charged to the temple and that the cost of the repairs to the Musafirkhana has never hitherto been paid from the temple funds.

3. In the circumstances explained in the foregoing para, the Govt in the Murrai Dept are unable to sanction the payment of the cost of the repairs in question being made from the Kalasa temple funds.

4. Even as regards the salary of the Jadmali employed at the Musafir-khana which is at present paid from the temple funds it must be observed that the expenditure cannot

form

a legitimate charge on the funds of the Institution and should therefore be discontinued from the beginning of the next official year. In the meanwhile, the Dy: Commr may arrange for the care-taker's pay being provided for out of the District funds or otherwise.

In reply to his docket No. 1078 5 / L.F.75.94 dated 17th March 1899, enquiring on certain points connected with the Balehonnur Musafarkhana and its Bhadamati, has the honor to state as follows:—

2. The Musafarkhana at Balehonnur was constructed in the year 1887-88 at an actual cost of Rs 2874.5.10 from the Kalasa Temple funds. The Executive Engineer, after completing the building, requisitioned the District Fund Board to recommend the entertainment of a watcher or sweeper for the Musafarkhana, the cost to be borne by the same funds.

3. A reference was accordingly made

to Government in this office letter No. 425 dated 3d December 1869 recommending the appointment of a Watchman on Rs 6 per mensem for the Kalasa Temple Musafar-Khana at Balehonnur, and sanction of Government was accorded to the proposal in their Order, Camp No. 1016, dated 18th March 1870. It is on this authority that the pay of the Jhadamati was hitherto charged to the Kalasa Temple funds -

4. As regards the usefulness of the Chatram, the undersigned begs to state that the building is conveniently situated on the high road from Chikmagalur to Koppa, in front of the Travellers' Bungalow, and is, at all times, occupied by all classes of people.

5. The Government have sanctioned the Establishment of a Taluk Cutcherry building at Balehonnur.

6. Under these circumstances it is very necessary that the building should be maintained for the convenience of the travelling public, and the undersigned requests Government to pass such orders as are necessary

Order thereon

From the correspondence read above, it appears that the Muzaffirkhana at Balakonnur was constructed in 1887-8 from the Kalasa Temple funds and that the pay of the Jadmali was hitherto charged to the same Kalasa temple funds.

An estimate for Rs 104-- for the repairs of the Muzaffirkhana has however been recently submitted to the Local Govt. for sanction, which Govt. in their G.O. No 7943 dated 22-12-98 declined to sanction the same from

from Muzrai Funds & request-
-ed the D.C. Comr. to arrange
for the payment of the Care-
-taker's Salary from the District
Funds or otherwise. The D.F.
Board accepted the above
decision in their Meeting of
4. Feb. 1899 and resolved
to provide for the Sweepers
pay from the District Funds,
from the beginning of next
offl. year and the Presidents

Under these circumstances,
the recommendation of the
Board is approved, the charge
being met from the provision
